Funded Orthodontic Treatment Screening

The 2019 Funded Orthodontic Treatment Program is fast approaching! All interested parties should contact the dental department to schedule a screening. The screening dates are April 17 and May 22, 2019.

The program and amount of accepted applicants will be dependent on the funding for the year. An additional screening date may be added if the need is great.

Applicants are selected by case severity, motivation of the patient and guardian, reliable transportation, routine dental checkups and the oral hygiene history of the patient, to name a few. We want the best results possible for the patient and thus place emphasis on these items in order to achieve this. The unbiased selection process is performed under the guidance of an orthodontic specialist and chosen through a committee.

Open to all ages who are **CHS-eligible only**. To be eligible for the 2019 program year, you must complete a screening appointment during one of the screening days. Each year's selection process is independent from previous years and does not carry over. Selected and treated individuals can only be selected once for the duration of the program. All applicants will be notified by mail if they have been chosen.

Please contact the Siletz Dental Clinic at 541-444-9681 to schedule an appointment. Individuals who have been placed on the waiting list will receive a postcard notifying them to call and schedule an appointment.

After-hours crisis line now available at 541-444-8286 or 800-600-5599

Because mental health and relapse crises do not always happen during business hours, Siletz Behavioral Health has arranged a collaboration with an after-hours crisis line called Lines for Life.

On weekends and during the weekday hours of 5 p.m. to 8 a.m., the number to the Behavioral Health front desk is forwarded to Lines for Life, where you will be connected with a live mental health counselor.

The counselor will do everything he/she can to help de-escalate, advise and support.

Afterwards, this information can be shared with our mental health counselor so follow-up care can be provided.

Of course, if there is an emergency and you fear that you or someone else is in imminent danger, please call 911. That's always the fastest way to get help.
