Mental Health Services

- What services are available?
 - Counseling services – individual or family
 - Psychiatry services
 - Psychology services
 - Up to eight visits annually (more if medically necessary)
- Who's eligible?
 - Siletz Tribal members eligible for Purchased Referred Care (PRC), formerly Contract Health Services (CHS)
- How do I get benefits?
 - Call PRC for benefits quarterly – just like for alternative health care. You will be approved for visits based on the quarter. For example, if you see a counselor monthly, you would use three visits and call the next quarter for approval of more visits (up to eight visits annually).
 - Prior to making an appointment with a counselor or psychiatrist of

your choice, confirm the provider will accept PRC as payment.

- Benefits are limited, first-come, first-served.

- What you need to know:
 - Call in dates will be the first business day of each quarter; remaining dates of 2019: April 1, July 1 and Oct. 1.
 - After calling PRC for benefits, the patient will receive a letter that lets them know what they are eligible for, how many visits and the benefit dollar amount. The letter also provides information that they can give to their provider so providers are aware of the payment process.
- Call PRC at 800-628-5720 or 541-444-9648 and speak with Rhonda Attridge, PRC Tech 1.

SUBOXONE THERAPY

Available at the Siletz Community Health Clinic

Our providers Lisa Taylor, FNP, and Jalien Dorris, DO, are now licensed to prescribe suboxone for Siletz Tribal members and/or community members who are struggling with heroin, prescription drugs or substance abuse. We are contracting with Eric Davis, MAC, CADCIII, with his expertise in medication assisted therapy (MAT), he will assist with the implementation of our new suboxone program.

Wondering what suboxone is? Suboxone is a medication that helps your family members who are struggling with heroin and opioid addiction by taking away the symptoms of opiate withdrawal and drug cravings that are
