Towner graduates from Home Visiting

Congratulations to Denaeé Towner, recent graduate of the Home Visiting program.

Denaeé entered the Home Visiting program in July 2017 a few months after her daughter Stella was born and participated until graduating this July. While in Home Visiting, Denaeé maintained her busy schedule of working full time, taking college classes, caring for her family and attending her daughter's sporting events.

Denaeé actively participated in the lessons and attended Home Visiting events with her family. She recommends the program to other families, saying "The books and wipes are great. Home Visiting has provided my family with the resources to be successful in education and in life."

Congratulations, Denaeé!

Elaine Jeanette Jackson-Butler June 9, 1975 – August 12, 2019

Elaine Jeanette Jackson-Butler was born on June 9, 1975 in Portland, Oregon to Marcella Butler and Lincoln Jackson. She was called home to be with the Lord on August 12, 2019.

Elaine was raised in Vancouver, Washington with her grandmother Elaine (Mokey) Kennedy. As an adult, Elaine called Siletz, Oregon her home and that is where she raised her three children Ebyn, Atreaux, and Lexi.

Elaine was a lover of her community. She was about self, family, tribe and community. Elaine's recovery was very important to her and she honored that by giving back to her community where she served in multiple areas. Elaine served as the Powwow Chair with the Confederated Tribes of Siletz Indians for about four years and served on the committee for multiple years.

She loved selfies, Walmart, coffee from "the Bean" and "Dutch". She loved powwows and Jump Off Joe, which she called "the edge of the world".

Elaine had a heart and soul for music and for children. Elaine is a cancer survivor. Elaine is survived by her brothers and sisters Bear, Monique, Dean, Tony, Tasheena, and Bobby; her children Ebyn, Atreaux, and Lexi; and a large extended loving family of aunts, uncles, cousins and soul sisters.

A memorial powwow in Elaine's honor will be held Monday, August 26th, at 11am at the Siletz powwow grounds. A potluck will follow at the Tribal Center.

In Lieu of flowers, donations can be made to the meal train for the family.

Savvy Caregiver in Indian Country Training

Savvy Caregiver in Indian Country is a six-part group program, which lasts approximately two hours per part, for Native people.

It's designed to help caregivers provide care and support for someone with Alzheimer's or dementia.

Savvy Caregiver in Indian Country is a culturally adapted program developed by Dr. J Neil Henderson (Oklahoma Choctaw), executive director of the Memory Keepers Medical Discovery Team on Health Disparities at the University of Minnesota Medical School.

These free classes offer care strategies, resources and support to the caregiver. Savvy Caregiver training teaches the caregiver to know the stages of dementia. Knowing the stage allows the caregiver to use activities and tasks that better fit the abilities and capabilities of their loved one, resulting in more hours of "contented involvement."

Training will be provided by staff from the Confederated Tribes of Siletz Indians. To sign up for this important informational training, contact the staff person for your area.
