Volunteers needed to cut firewood for elders

The Natural Resources Department periodically receives inquiries from Tribal elders asking if there is anyone who would be willing to cut Tribal firewood for them. We are starting a list of volunteers willing to cut firewood for Tribal elders and a list of elders who want someone to cut firewood for them.

If you fit either category, please call the Natural Resources Department – Denise Garrett at 541-444-8227, Mike Kennedy at 541-444-8232 or either at 800-922-1399. We will then pair up volunteer firewood cutters and elders in need.

Please note, this is a volunteer activity. No one will be paid to perform this service and elders should not be charged anything to receive firewood.

A Tribal firewood permit is required and is issued by Natural Resources.

The Oregon Commission for the Blind (OCB) is proud to help Oregonians who are blind establish career paths and work to support themselves and their families. When provided access to opportunities, training and tools, Oregonians who are blind can be successful in any job of their choosing.

OCB's experienced counselors, teachers and employment specialists provide highly specialized training and services, including job readiness and everyday living skills, to qualified Oregonians all across the state.

If you are an employer interested in diversifying your workforce by hiring a qualified job seeker who is blind or by offering job exploration opportunities to someone who is blind entering the workforce for the first time, please reach out to us! We provide our participants with paid internships at NO cost to employers and cover workers compensation insurance for OCB clients in a Work Experience. A diverse, skilled workforce is stronger and can deliver more for your business and the community that you serve.

In addition to providing job readiness training and services, the OCB Independent Living Program for the Older Blind serves people 55 and older with vision loss who are at retirement age or not interested in working; it is not necessary to be legally blind to participate. We also have an independent living program for participants under 55 who do not wish to work, but they must be legally blind in order to qualify. Both programs cover the entire State of Oregon and are totally free!

How the Independent Living Program works: Experienced teachers will come to your home to do a low-vision assessment and make specific recommendations to make it more accessible. Teachers share techniques on how to perform the daily tasks you need most, including traveling safely, using household appliances, using technology for planning and communication, keeping organized and doing daily tasks, and more.

If you or someone you know is experiencing vision loss, contact your local OCB office today to learn more about our great services!
