After-hours crisis line now available at 541-444-8286 or 800-600-5599

Because mental health and relapse crises do not always happen during business hours, Siletz Behavioral Health has arranged a collaboration with an after-hours crisis line called Lines for Life.

On weekends and during the weekday hours of 5 p.m. to 8 a.m., the number to the Behavioral Health front desk is forwarded to Lines for Life, where you will be connected with a live mental health counselor.

The counselor will do everything he/she can to help de-escalate, advise and support.

Afterwards, this information can be shared with our mental health counselor so follow-up care can be provided.

Of course, if there is an emergency and you fear that you or someone else is in imminent danger, please call 911. That's always the fastest way to get help.
