

2020 College Students Summer Internship Program Deadline

Students attending college can apply for the Tribe's 2020 College Students Summer Internship Program. To be eligible, you must be at least a half-time student attending a two-year or four-year college and in good academic standing.

Applications will be mailed to known students, but if you do not receive an application, please contact Assistant General Manager Tina Retasket or the education specialists at any Tribal area office to request an application.

This program assists Tribal students with locating internship placements to gain work experience in their field of study. Up to 10 slots are available for 2020.

Students can work up to 300 hours at Tribal minimum wage (currently \$12.75/hour) and can be placed within or outside of the Tribe.

Students selected for the program must complete an orientation, criminal history background check and drug screening (Note: The Tribe does not recognize Oregon laws allowing the use of medical or recreational marijuana).

Placements can begin in June, but must be completed by Sept. 30, 2020.
