Take Control of Your Future Respond to the 2020 Census

You could earn your community \$3,000 dollars in funding per year.

Native Americans have historically been under counted in past censuses, thus losing out on hundreds of thousands of dollars in funding. Responding to the census helps direct federal funding into programs, aids, and grants for:

- Housing
- Employment
- Healthcare
- Education
- Childcare and Family Support
- and Urban and Rural Development

in Tribal communities across the country.

Select "American Indian or Alaska Native" under Race to make your presence known.

You only get **one** chance **once** a decade. Don't miss out.
