How to access language materials online

Virtual speaking groups and beginning community classes have begun again. Contact Nick Viles (nickv@ctsi.nsn.us) for login information.

Ch'ee-la xwii-t'i
(Greetings everyone)

To assist Tribal members during this time of social distancing and the interruption of our normal schedules, this tutorial on how to access language materials and recordings from the Tribal website has been developed. I hope you and your families are safe and healthy during this time. Hopefully many folks can access these materials from the safety of their homes.

Go to www.ctsi.nsn.us. Enter in your roll number and last four digits of your Social security number to log on to the Tribal member access area. Click on "Our Heritage." On the drop down, click on "Language."

Lots of written and recorded materials are available in this section. The Nuw-wee-ya' (Our Words) Language Dictionary is on this page. You can click on the selection A to Z to look up written English language words and their Athabaskan equivalent.

Also on this page are Siletz Dee-ni Volumes 1, 2 & 3. Just click on "Study Materials" and scroll down. Volume 1 contains lessons on body parts, counting, relatives, foods and table talk.

In these lessons, the written word on the screen is accompanied by audio

of the word's pronunciation. Volume 2 contains animals, birds, colors, fish, greetings and goodbyes, insects, and trees and brush. Volume 3 contains lessons on sentence structure and word order.

Each lesson has a complete practical alphabet sound chart. All three volumes have a word document and audio recording for each lesson. Tests are available if you want to use them.

To access the Siletz Talking Dictionary, click on Siletz Language website. Drop down three lines and click on www.siletzlanguage.org, go to the Talking Dictionary tab and click on it. The Siletz Talking Dictionary Page will appear.

Just below the words "Search for" is an empty white box. Type in the word you are searching for and click on the "search" button. The word and the Athabaskan equivalent will appear just below the search box. To hear the word being spoken, simply click on the red ear icon on the left side of the page.

You may have to wait a few seconds for the page and sound to load, depending on your connectivity. Some of the words also have pictures.

Also on the www.siletzlanguage.org website are 14 Language learning videos and many other culture-related videos, materials and curriculum.
