

2023 College Students Summer Internship Program

Students attending college can apply for the Tribe's 2023 College Students Summer Internship Program. To be eligible, you must be at least a half-time student attending a two-year or four-year college and in good academic standing.

Applications will be mailed to known students, but if you do not receive an application, please contact Chief Administrative Officer Lisa Norton or the education specialists at any Tribal area office to request one.

The purpose of the program is to provide funding for a paid internship to Tribal students to gain work experience in their field of study that will help them be competitive in the job market after graduation. Ten slots are available, paid at Tribal minimum wage for up to 350 hours.

Students will be responsible for securing their own placement. We are available to assist, but ultimately it is the student's responsibility to locate and develop a placement. A limited number of placements are available with the Tribe. Due to COVID, at this point most Tribal placements will likely be remote.

Students selected for the program must complete an orientation, criminal history background check and drug screening (Note: The Tribe does not recognize Oregon laws allowing the use of medical or recreational marijuana).

Placements can begin in June and must be completed by Sept. 30, 2023.

Students should send a completed application and an unofficial copy of transcripts to:
