When does the pharmacy open?

Soft Opening
(open to patients who already receive services through the pharmacy)
Dec. 23, 2024

Full Opening
(all established Siletz Community Health Clinic patients)
Jan. 6, 2025

The Siletz Community Health Clinic is happy to announce the opening of our new pharmacy that will open later this month. Our facility will cater to Siletz Tribal members, other federally recognized Tribal members and finally opening to all established patients of the Siletz Community Health Clinic, plus eventually to patients of the Siletz Lincoln City Clinic upon its opening.

Our new facility has a generous lobby, a consult room for longer meetings you may need with the pharmacist, a small over-the-counter list of products you can purchase and a drive-thru window for easier pick-up. The second story will house offices and a meeting space.

We will observe the same holidays and days off as the Confederated Tribes of Siletz/Siletz Community Health Clinic and will be closed on weekends.

Tribal Website Login Update

We have changed the way Tribal members can log into the Member Area. If you have not already updated your password, you will be prompted to reset it when attempting to log into the Member Area on the Tribal website.

This update is due to a setting with our web hosting provider that cannot be disabled. The notice you see when attempting to log into the Member Area is legit and in order to access the Member Area you must click the “Reset Password” button when prompted.

A reset password link will be sent to the email address we have on file for you through Enrollment. If you do not have an email address on file or you used your email address for multiple Tribal members, you may not have a login on the website. You can request a login by using the “Request Login” form on the website.

For a majority of Tribal members, your login is already active on the Tribal website, but you will need to reset your password.
