Concho belt classes a success

Thanks to Charitable Contributions, the Siletz Regalia Sharing Closet was able to host two concho belt workshops in both the Salem and Portland areas. Native Americans like Arlena Calixto, were able to participate in this event and make a belt to wear.

The goal of these workshops was to pass on knowledge and make culture more accessible for native people. Over 45 participants, including tribal members, JOM students, and community members were able to come together collectively to showcase their artistic abilities. The response to these workshops was overwhelming, both filling up within a few days of advertising.

If you weren't able to make these workshops, and are interested in future cultural opportunities email the info@siletzregaliacloset.org to be put on an interest list!

AN IMPORTANT MESSAGE FROM MEDICARE

Open Enrollment is your time to review all your options.

Compare plans to find the right coverage for you.

MEDICARE OPEN ENROLLMENT | OCT. 15-DEC. 7

It's time for Open Enrollment.

Medicare Open Enrollment is your chance to review your current plan and compare all the 2025 health and prescription drug options. Your current plan may still work for you, or you may find a plan that's a better fit.

Comparing benefits makes sense.

Just like your health, Medicare plans may change every year. By comparing your options, you may find a plan that saves you money or offers you better coverage, or both. When you're ready to review your options side by side, go to the official source for Medicare—[Medicare.gov](https://www.medicare.gov).

New in 2025!

All Medicare plans will include a \$2,000 cap on what you pay out of pocket for covered prescription drugs. The cap only applies to drugs that are covered by your plan, so it's more important than ever to review your plan options to make sure your drugs are covered.

Prefer to talk it over?

We're here to help 24 hours a day, 7 days a week. Or, find free, personalized health insurance counseling from your State Health Insurance Assistance Program (SHIP). Visit shiphelp.org for locations near you. Many SHIPs offer virtual counseling.

Get help with drug costs.

If you are struggling with your prescription drug costs, **Extra Help** is a Medicare program that can help pay for your drug coverage (Part D) premiums, deductibles, and other out-of-pocket costs. If you make less than \$23,000 a year, it's worth it to apply.
