In late September, a new chapter began for the Siletz Community Health Clinic with the opening of Dan'Chaa-May-Yvlh-Srii-Dvn or, the "North Doctor Place" in Lincoln City. For years, many of our tribal members living along the coast have faced long drives to reach health services in Siletz. The idea for a satellite clinic was born from a simple question: How can we bring care closer to where many of our people live and work?

Now, that vision has become a reality. The new North Doctor Place clinic offers a welcoming space designed to meet patients where they are, both in location and in life.

Currently, the clinic offers medical appointments and behavioral health services, including alcohol and drug (A&D) support up to ASAM Level 2.1 and Medication-Assisted Treatment (MAT). All Siletz Tribal members, Chinook Winds staff, their families, and households are welcome, along with members of other tribes and Tribal employees and their families. If you're already registered with the Siletz Community Health Clinic (SCHC), there's no need to register again. If you're new to SCHC and would like to be seen in Lincoln City, please reach out to us at North Doctor Place to complete a new patient registration packet.

Dan'Chaa-May-Yvlh-Srii-Dvn stands as a reflection of our ongoing commitment to the health and well-being of our people—bringing care, connection, and community just a little closer to home.
