My PDC Story:

"Our place was nothing fancy...it had a great feel but just didn't connect with the statement, 'one of the 100 best places in the world to hear jazz.'"

With help from the Portland Development Commission's Storefront Improvement grant, we made aesthetically pleasing improvements – a full-scale awning and new marquee."

owner, Jimmy Mak's*

PDC has been helping area businesses and citizens for 50 years. For more information about our Storefront Improvement Program or other business programs, go to www.pdc.us. Write your PDC story.
