Not since the 1920's has a neighborhood of true craftsman bungalows been created; a welcome return of grand front porches, open living spaces and designs promoting interaction within a classic, green built, new home. Refreshing, unique homes, a well designed neighborhood of 15 home sites on a non-thru street and a 1/2 acre fenced park with a play structure are just part of the return of the bungalow lifestyle.

Directions: From Downtown, take I-5 South, right on Multnomah Blvd West, right on Oleson Road going North, right on Canby. (For mapping - 6640 SW Canby)

Priced from the mid 600's
