Timber Land, Act June 8, 1878-No-After inquiring our way, we started tor the Beaver creek coal fields, which we found after passing over a pretty rough stony road. Here we pretty rough stony road. Here we found Messrs. Moorehead and Sanders just sitting down to dinner, which we, nothing loth, joined therein. A tunnel into the side of the mountain, with perhaps 15 to 20 tons of good looking coal lying about the mouth of it, was evidence to us on that these gentlemen were not there for their heaith, but were prospecting for coal, in a way that mean business. At the invitation of Mr.

Any and all persons claiming adversely the above-described lands are requested to file their claims in this office on or before said 38th day of August, 1890.

J. T. APPERSON,

Timber Land, Act June 3, 1878—Notice for Publication. which now reaches into the mountain 280 feet. On each side of which we noticed streaks and blocks of coal which grew more numerous the further we penetrated. At the point where they are now working, the seams of coal are concentrating together, and it is expected that ere the underground roadway is extended 25 feet further, coal will be found in paying quantities. The indications are so good that experienced miners say there is plenty of coal there. A property is assigned to this coal too, that we believe is possessed by no other, viz: steel can be welded with it without the use of borax. And tests given it by coal expects are highly without the use of borax. And tests given it by coal are concentrating to the coal too for the coal to the coal too for publication. United States Land Office, Oregon, Land III, 1800. Oregon, L borax. And tests given it by coal experts are highly satisfactory.

Without doubt there is valuable coal deposits in these mountains and we

#### The Census Maddle.

Dispatches announce this week that a recount has been ordered for that a recount has been ordered for Multnomah county, and a part of Marion. So far so good. Other portions of the state have suffered as badly in proportion as Portland and Salem. There is apparently no kick coming from Linn. Yet with out making any effort to ascertain the fact, we know personally of four or five families on the Albany praries that were not enumerated at all. In one instance we saw the enumerated at all. In one instance we saw the enumerated at all. In one instance we saw the enumerated at all. In one instance we saw the enumerated at all. In one instance we saw the enumerated at all. Tuesday the 26th day of August, 1890.

Without doubt there is valuable coal deposits in these mountains and we think these gentlemen have found them. Our watches admonishing us that it was time to return, we rough-locked ourselves and descended the mountain without mishap and started for home which was reached in dus time, thinking we had passed a very pleasant day, and speculating upon the mineral wealth that our hills are full of.
