areas, similar to what occurred at Silver (the Silver Fire of several years ago)," said Bode. "The timber will still be valuable in 2004, but the value will decrease as time goes on."

Oshana Catranides, from Ashland-based Lomakatsi Restoration Project, announced to the group, that for all who are interested, there a fire ecology and restoration conference would be held on Nov. 2 and 3 in Williams.

Besides those already noted, the meeting was attended by Sue Parrish, Siskiyou Field Institute; Barry Snitkin, Siskiyou Project; Kevin Harvey-Marose, George Fence and Bob Litak, IVCRT; Susan Chapp, Forestry Action Committee; Michael Keown, I.V. Ranger District; Jared Voice, VISTA/IVCRT; and a handful of other interested Illinois Valley residents.

The next meeting of the Fire Recovery Task Force will be held on Friday, Nov. 15 at 1 p.m. in the county building in Downtown Cave Junction. Anyone can attend.

COUGARS CHOKE HONKERS - Illinois Valley High School Cougars smacked Lakeview 40-8 in the final and non-league game of the season in Cave Junction on Saturday, Nov. 2. Natty Krauss (in top left photo) rushed for 175 yards on 27 carries to lead the Cougars. For the season the junior running back tallied 1,007 yards.
