## I-5 shooting suspects still being sought

Oregon State Police troopers and other officers are seeking three men suspected in the fatal shooting of a man on Interstate 5, a short distance south of Roseburg.

At approximately 11:30 a.m. on Sunday, Dec. 15, OSP responded to the shooting near milepost 113 on the lanes for southbound traffic.

An unidentified Hispanic male was killed while driving on the freeway. The gunfire reportedly came from a nearby vehicle, described as a green Mercury four-door sedan, which was traveling the same direction, according to OSP.

The suspect vehicle was later found abandoned near a McDonald's Restaurant at exit 103. The occupants are still at large and are described as:

\*Hispanic male adult, 6-1, slender build, shoulder-length black hair, wearing a black cap and carrying a white sack.

\*Hispanic male adult, 5-10, slender build, short black hair, wearing a dark baseball type cap.

\*Hispanic male adult, 5-10, slender build, black hair, wearing a black jacket, white T-shirt and carrying a white bag.

Identification of the deceased man is being withheld until next of kin is notified.

## Unattended candle cause of GP blaze

Grants Pass Fire/Rescue and Rural/Metro Fire Dept. responded to a structure fire at 720 S.W. "L" St. Apt. B on Monday, Dec. 16.

Units found a small onebedroom apartment with heavy fire showing from the rear of the structure. Crews initiated an aggressive interior attack and quickly extinguished the fire.

Grants Pass Fire/Rescue responded with two engine companies and a duty officer. Rural/Metro responded with two engine companies, with American Medical Response providing medical stand-by. The resident, Skie Sells, suffered a minor burn while attempting to extinguish the fire. Sells, her two children, and two pets safely exited. An investigation was conducted, and the cause of the fire was determined to be an unattended candle. There were no smoke detectors present. Damages are estimated at \$13,500.

## **ODOT** funds **GP** sidewalks

Grants Pass will receive \$126,350 in grant funding from Oregon Dept. of Transportation to improve sidewalks and crossing improvements on 9th St.

The grants are part of the Oregon Bicycle and Pedestrian local-grant program that provides approximately \$2,000,000 to Oregon cities and counties for pedestrian and bicycle facility improvements.

This year 88 applications were received and 19 improvement projects were funded.
