Christmas is a time of year of giving and receiving. Every year my family celebrates Christmas because it is the chosen date of Jesus' birthday. When Christmas comes I feel much better than I do during every other time of the year. I think Christmas is a time of Joy, Peace, and Love. I am a 13-year-old boy and love Christmas and what it is about. It is about the birth of Christ, our Lord and Savior. I want to tell everyone what the best present is. Do you know? It is Jesus and he loves everyone that lives on this Earth.
