HOLIDAY TOYS, FOOD - The Illinois Valley Christmas Basket Program attracted a large crowd on Saturday, Dec. 14 at the I.V. Family Coalition Center. Basket items for the beneficiaries were made possible through donations by many private individuals and businesses, as well as the Josephine County Food Basket/Food Share Program. The items were distributed in orderly fashion with help from a number of Santa's elves. Those who received items had to have tickets, procured earlier through demonstration of need.
