DANIEL PRINCE

Navy Seaman Daniel L. Prince, a 1994 graduate of Illinois Valley High School, recently graduated from the Basic Enlisted Submarine Course at the Naval Submarine School in Groton, Conn.

During the six-week course, Prince learned the basic theory, construction, and operation of nuclear-powered submarines. Prince also learned shipboard organization, damage control, and submarine safety and escape procedures.

Prince participated in hands-on training with reality simulators, practicing firefighting and flood control on board a submarine. Prince also learned about a submarine's basic hydraulic, water and air systems, and practiced escaping from a simulated sinking submarine.

He is the son of David and Kathi Prince of Grants Pass. He is now in Kings Bay, Ga., for advanced electronics and missile tech training.
