## OLCC liquor revenue lifts state's spirits

Josephine, Douglas, Jackson and Lane counties and their 37 cities received a combined total of \$445,212 as their share of the Oregon Liquor Control Commission's (OLCC) April 2003 revenue distribution.

OLCC revenue is generated by distilled spirits sales in 238 liquor stores, taxes on malt beverages and wine, license fees, and fines for liquor law violations.

In April, each county and city received the following: Josephine County, pop. 77,650, \$17,634; Cave Junction, \$936; Grants Pass, \$16,079. Jackson County, pop. 187,600, \$42,602; Ashland, \$13,560; Butte Falls, \$296; Central Point, \$9,512; Eagle Point, \$4,015; Gold Hill, \$721; Jacksonville, \$1,696; Medford, \$44,520; Phoenix, \$2,978; Rogue River, \$1,246; Shady Cove, \$1,650; Talent, \$3,718.

Douglas County, pop. 101,300, \$23,004; Canyonville, \$916; Drain, \$709; Elkton, \$101; Glendale, \$566; Myrtle Creek, \$2,331; Oakland, \$6267; Reedsport, \$2,849; Riddle, \$680; Roseburg, \$13,587; Sutherlin, \$4,837; Winston, \$3,287; Yoncalla, \$728. Lane County, pop. 328,150, \$74,520; Coburg, \$667; Cottage Grove, \$5,881; Creswell, \$2,587; Dunes City, \$869; Eugene, \$95,918; Florence, \$5,120; Junction City, \$3,227; Lowell, \$579; Oakridge, \$2,122; Springfield, \$36,316; Veneta, \$1,913; Westfir, \$209.

OLCC's total distribution was \$8.5 million for April, including \$4.5 million to the state general fund. March's total distribution was \$8.98 million. The revenue allocation is set by law with 10 percent to counties, 20 percent to cities, 56 percent to the state general fund, and 14 percent for the state's city revenue sharing account.

Based on state Dept. of Education population figures, Oregon's 239 cities received a combined total of \$1.59 million and the 36 counties got \$795,887. The city revenue sharing account netted \$1.1 million. Half the taxes collected on wine and malt beverages, \$532,853, went to the state Office of Mental Health and Addiction Services for drug and alcohol prevention, intervention and treatment activities. The other half was counted as general revenue.

The Oregon Wine Advisory Board received \$16,184 from a 2-cents a gallon tax on wine made or imported here. The fund is used for research and promotion of Oregon wine. OLCC collects privilege taxes of \$2.60 a 31-gallon barrel for malt beverages, 67-cents a gallon for table wine, and 77-cents a gallon for dessert wine.

In high school, Robin Williams was reportedly voted "least likely to succeed."
