a golf instruction book entitled, "The Light of Day."

He attended Los Angeles City College and graduated from the University of Wichita, Kan. He attended the university in the evenings during a fouryear stint in the U.S. Air Force.

Day said he enjoys playing at IVGC, a 6,004 yard, par 72 course and finds the 343 yard, par 4, fifth hole to be the most challenging.

"It has a good layout," he said of the course. "It's a tough course. Most of the greens are elevated and it makes for tough shots."
