

**PUBLIC NOTICE**

**BE IT ENACTED BY THE BOARD OF DIRECTORS OF THE ILLINOIS VALLEY FIRE DISTRICT Ordinance No. 03-02**

1. No person, firm or corporation shall possess, offer for sale, expose for sale, sell at retail, or use or explode any fireworks within the Illinois Valley Fire District, except as herein provided.

2. Fireworks. Any composition or device for the purpose of producing a visible or an audible effect by combustion, deflagration, or detonation, and which meets the definition of "consumer (Explosives 1.4G)" "theatrical and novelty (Explosives 1.4 S)" or "display (Explosives 1.3G) fireworks as set forth in the U.S. Department of Transportation (DOT) Hazardous Materials Regulation, Title 49, Code of Federal Regulations (CFR), Parts 171-180. Exception No. 1: Toy caps for use in toy pistols, toy canes, or toy guns and novelties and trick noisemakers manufactured in accordance with DOT regulations, 49 CFR 173.100 (p), 1 and packed and shipped according to said regulations.

Exception No. 2: Model rockets and model rocket motors designed, sold and used for the purpose of propelling recoverable aero models. Exception No. 3: Propelling or expelling charges consisting of a mixture of sulfur, charcoal, saltpeter are not considered as designed to produce audible effects.

3. The authority having jurisdiction shall be permitted to adopt reasonable rules and regulations for the licensing of individuals or granting of permits for supervised displays of fireworks by municipalities, fair associations, amusement parks, and other organizations or groups of individuals. Such permits shall be permitted to be granted upon application to the authority having jurisdiction and approval in accordance with the regulations for the display and filing of a bond by the permit application. (See NFPA 1123, Code for Fireworks Display and NFPA 1126, Standard for the Use of Pyrotechnics before a Proximate Audience.) Every such display shall be handled by a competent operator, licensed or certified as to competency by the authority having jurisdiction. Every such display shall be of such composition and character and shall be located, discharged, or fired so as, in the opinion of the authority having jurisdiction, after proper site inspection, not to be hazardous to any person or property. After such privileges have been granted, sales, possession, use, and distribution of fireworks for such displays shall be lawful for that purpose only. No permit granted here under shall be transferable.

4. Before any permit for a pyrotechnic display shall be issued, the person, firm or corporation making application therefore shall furnish proof of financial responsibility to satisfy claims for damages to property or personal injuries arising out of any act or omission on the part of such person, firm, or corporation or an agent or employee thereof, in such amount, character, and form as this jurisdiction determines to be necessary for the protection of the public.

5. Nothing in this law shall be construed to prohibit any of the following:

(a) The sale, at wholesale, of any fireworks for supervised displays to be approved resident manufacturer, wholesaler, dealer, or jobber, in accordance with regulations of the U.S. Bureau of Alcohol, Tobacco, and Firearms (see Title 27, Code of Federal Regulations, Part 181) and the U.S. Department of Transportation.

(b) The manufacture, transportation, or storage of fireworks at a manufacturing facility. The testing of fireworks under the direction of its manufacturer provided permission for such testing has been obtained from the authority having jurisdiction.

(c) The sale, transportation, handling, or use of industrial pyrotechnic devices or fireworks, such as railroad torpedoes, fuses, automotive, aeronautical, and marine flares and smoke signals.

(d) The sale and use of blank cartridges for use in a show or theater; for signal or ceremonial purposes; in athletics or sports; or legal power tools.

(e) The transportation, handling, or use of any pyrotechnic devices by the armed forces of the United States.

(f) The use of pyrotechnics in training by the fire service, law enforcement, or similar government agencies.

(g) The use of fireworks for agricultural purposes under the direct supervision of the U.S. Department of the Interior or an equivalent state or local agency. [See Title 16, Code of Federal Regulations, Part 1500.17 (A) (8).]

6. The authority having jurisdiction shall seize, take, remove, or cause to be removed at the expense of the owner all stocks of fireworks offered or exposed for sale or stored or held in violation of the law.

7. Any person, firm, or corporation violating the provisions of this law shall be guilty of a misdemeanor.

8. Any person, firm, or corporation violating the provisions of this law, which results in a fire, personal injury, or death, shall be guilty of a felony.

9. Any provisions of this law held to be unconstitutional shall not invalidate the remainder thereof. Any acts, laws, or parts of laws in conflict with any provision of this law are hereby repealed to the extent of the conflict.

1. The regulations referred to limit the explosive content of each cap to not more than an average of 0.25 grains (16 mg). Also, each package containing such caps must be labeled to indicate the maximum explosive content per cap.

2. Where no provision in law already exists for the disposition of goods seized in violation of this law, appropriate provisions shall be enacted for the legal disposition of fireworks by the authority having jurisdiction following conviction for such violation.

Date of Effect  
This ordinance shall take effect and be in force the day of adoption by the Board of the Illinois Valley Fire District.
