Church News

Good Shepherd Lutheran Church

Some may think of Jesus only as a spirit, not real like you and me. But Jesus was flesh and blood, and had a long line of relatives stretching back to King David. He was baptized and resurrected from the dead -- and we have these same opportunities, if only we believe in him.

Church activities include Sunday, Jan. 18, 9 a.m. worship; 10:15 a.m. brunch and annual Congregational Meeting.

St. Patrick of the Forest Catholic Church

Sunday will begin a week of prayer for Christian Unity. The familiar reading from John's Gospel, chapter 2, regarding the wedding feast at Cana will kick off the week.

Generally at a wedding celebration among family and guests, you can find members of many different denominations. They are united at that time to join the bride and bridegroom in making the day memorable.

Prevent mold from getting old

Ways to reduce moisture problems before they become mold problems are suggested by the Environmental Protection Agency:

- *Fix leaks and seepage as soon as possible.
- *Watch for condensation and wet spots, and fix the source immediately.

*Use fans in bathrooms and kitchens to remove moisture.

*Vent appliances, such as clothes dryers, to the outside of homes.

*Don't let foundations stay wet. Provide drainage and slope the ground away from the foundation.
