*Making a Difference for Seventy Years*

2004 is a special year. It is the 70th Anniversary of Evergreen Federal Bank. In celebration of our 70th Anniversary, we will pay an extra \$1,934,00 bonus to our savings customers. This will be in addition to the interest you have already earned.

In 1934, local people came together and formed a community bank. They had a dream about a local bank that would help local people achieve their dreams. For the last 70 years we have been working to fulfill that dream. In an age where the ownership of banks seem to change every year, Evergreen has remained the same community

bank for 70 years. We recognize that our success in doing that couldn't happen without the support of our customers, so we decided to say thank you by paying an extra \$1,934,000 interest bonus. \$1,934,000 seemed appropriate since we opened our doors in 1934.

Once again, from the Staff, Management, and Board of Directors, thank you for 70 great years. We look forward to the next 70 years.
