Applications due Jan. 30 for rural planning group

The Josephine County Board of Commissioners is accepting applications from volunteers for a vacancy on the Josephine County Rural Planning Commission.

The deadline for applications is Jan. 30.

Applications are available in the Board of Commissioners Office, Room 154, Josephine County Courthouse, Grants Pass. Phone (541) 474-5221 for more information.

The planning commission is made up of nine residents from various geographic areas of Josephine County appointed by county commissioners to serve four-year terms. It is the job of the planning commission to review and decide significant land development requests, such as subdivisions, commercial, industrial and resource uses, and various conditional uses.

The commission may also hold public workshops and hearings to study specific development issues and work with planning staff, community organizations and other interested individuals to develop or revise land use regulations to address problems.

Two examples of this kind of duty are the commission's work in revising the county's land use program for citizen involvement and safety citing standards for new dwellings in wildfire risk areas.

The commission meets one or more times monthly in Anne Basker Auditorium on Mondays at 7 p.m.

Damage \$30k to structure on Lakeshore Dr.

A fire ripped through a Selma residence on Friday, Jan. 16 destroying two second floor rooms and causing an estimated \$30,000 to \$40,000 damage.

The owner of the house at 1420 Lakeshore Drive, Michael Metcalf Jr., was away when the fire occurred.

Neighbors spotted a flicker of flames coming from the base of the house at approximately 9 p.m. and phoned 911.

According to Division Chief Joe Feldhaus of Illinois Valley Fire District, the owner apparently left a kerosene heater running unattended in the lower level of the residence when it fell and ignited the floor.

The flames consumed two rooms of the upper level of the house before fire crews contained the

It took firefighters a little more than two hours to fully control the blaze with 20 volunteers and eight pieces of equipment to assist.
