Ten Minutes With ...

Janie Pope: Illinois Valley High School Athletic Activities secretary

Tell us about your career at IVHS.

I've been with the school district 17 years, having started as a two-hours-aday dishwasher in the kitchen; then moving up to second cook. Later there

was an opening for receptionist in the office, and I was selected for that job. After Harriet Brood retired as head secretary, Evie Hare moved up to that position, and I became athletic secretary.

What's the job involve?

It's a great job, involving all the scheduling for athletic events, including busing. I develop the calendar; attend many games; and write lots of letters to send to students' homes. I make sure that everything goes smoothly. And I handle a variety of assignments for administrators including Gary Thornhill, our athletic director and my boss.

Where are you from?

Here. I grew up here and graduated from Illinois Valley High School. My parents lived in Cave Junction when I was born at Josephine Memorial Hospital in Grants Pass.

What do you like about working at the school?

I enjoy the kids. They're just great. They aren't like little kids; you can talk to them like adults.

Do you have any hobbies?

I do. I love to mountain bike and run. Last summer I did my first 75-mile ride with my mountain bike from Powers to Glendale.

What do you like best about living here?

I like the country. There's plenty of peace and quiet when you want it. I have family here, so it's nice to be close to them.

You have family in Illinois Valley?

Yes. I take care of my mom; my husband Gary and I have been with her for a couple of years. I don't have any other family in the area, but my husband's mom lives in Cave Junction. He has two sisters that live here, a brother and sister-in-law that live in Grants Pass. I have a twin brother in San Jose, an older brother in Missouri, and a sister in Coos Bay.

What is your favorite flavor of ice cream?

Vanilla. Somebody told me you were going to ask

Business owners required to report personal property

Josephine County Assessor's Office reminds business owners that they are required to file a Confidential Personal Property Return each year, reporting all taxable personal property in their possession as of Jan. 1 at 1 a.m.

The deadline for filing returns is March 1. An extension to file the return may be granted for "good and sufficient cause."

In Oregon, personal property used by a business is taxable. Examples of taxable personal property include machinery, equipment, furniture, fixtures, tools, non-inventory supplies and professional libraries in use or available for use by the business.

Property held in storage or that has been previously expensed on federal income tax business returns remains taxable and should be reported.

If a business has per-

Josephine County Treasurer and Tax Collector John Harelson announced that second trimester reminder notices are in the mail.

Of the 43,867 people receiving property tax statements in October, 7,877 elected to pay their taxes in thirds.

Harelson is encouraging taxpayers to mail their payments to Tax Collector, 500 N.W. Sixth St., Grants Pass, OR 97526.

For those wishing to pay in person, the office is sonal property in multiple locations in the county, returns must be filed for each location. If a business has personal property in more than one county, a separate return must be filed in each county.

Blank returns were mailed at the end of last year to all known businesses within the county.

However, failure to receive the form does not relieve business owners of the obligation of filing a return. If a business did not receive a return, they should contact the assessor's office.

Penalties are assessed for failure to file a return and for late filings. The penalty can be as much as 50 percent of the tax owed.

Business owners with questions can contact the assessor's office in the Josephine County Courthouse in Grants Pass, or phone (541) 474-5260.

courthouse, just off the "C" Street entrance. Payments can be made at any Josephine County branch of PrimierWest Bank, Wells Fargo Bank, Umpqua Bank, Home Valley Bank, US Bank or Bank of

America. Harelson also reminds taxpayers about the secure drop box at the "C" Street entrance to the courthouse.

The payment must be postmarked or paid in person by Tuesday, Feb. 17.
