In Service to the USA

Spec. Jordan Anderson

U.S. Army Specialist Jordan Anderson, son of Steve Anderson of Cave Junction and Jill Christopher of Bakersfield, Calif., has returned to Iraq after two weeks of "R&R."

Anderson, a fire support specialist with the 3rd Infantry Regiment of the Army's 3rd Brigade, 2nd Battalion, has been involved with school, hospital, and police station rebuilding projects. He also helped train Iraqi military, police and border patrols.

His team encountered minor combat situations,

coming under mortar fire.

"Each time it happens, we just throw on our gear and lie low," he said. "Then we run around to check on our buddies."

Anderson said that while he believes the U.S. deployment in Iraq is "a very good thing," which is "definitely improving the quality of life" in Iraq, he understands that the Iraqis "are a very proud people. They don't want us to stay much longer."

His stint in the service overseas has given him a different perspective on life, he said.

"I realize that you definitely need to take those chances in life as opportunities arise," he said. "We take a lot of things for granted here."

Anderson has 17 months yet to serve in his enlistment.

He plans to study criminal forensics after leaving the service.

'A library that is not accessible out of business hours is of as little value as gold hoarded in a vault and withdrawn from circulation.' -Alexander Graham Bell

The voters of Josephine County have the opportunity to **double** the open hours of our libraries system-wide. Patrons of the I.V. Branch Library stand to benefit the most, with a 110% increase in hours, from the present 20-hours per week, up to 42-hours per week. Don't miss this chance to restore our libraries and provide ourselves, our children, friends and neighbors with free and convenient access to the world of information, inspiration, and opportunities that our libraries provide us access to. Vote **YES** for the Library Levy (Ballot Measure 17.01). 50% of registered voters must vote for it to count. If you are not yet registered, you can register until April 27 for the May 18 election. Voter registration forms are available at the I.V. Branch Library, Josephine County Building, and City Hall. If the levy does not pass, library services will not remain the same; hours, staff, services and purchases will all need to be reduced. *This ad sponsored by Real Libraries PAC*
