The voters of Josephine county have the opportunity to **double** the open hours of our libraries system – wide, as well as increase staff, services. and books. The projected cost of the levy would be 20 cents per thousand dollars of assessed property value. This means that if your property value is \$100,000, your cost would be \$20 per year, or \$1.67 per month. This is a small investment compared to the benefits citizens will receive. Don't miss this chance to restore our libraries and provide ourselves, our children, friends and neighbors with free and convenient access to the world of information, inspiration, and opportunities that our libraries provide us access to. Vote YES for the Library Levy (Ballot Measure 17.01). 50% of registered voters must vote for it to count. If you are not yet registered, you can register until April 27 for the May 18 election. Voter registration forms are available at the IV Branch Library, Josephine County Building, DMV, and City Hall. This ad sponsored by Real Libraries PAC
