## No refund for badly defaced 5¢ containers

Got heavily damaged beer or soda containers?

A new law (SB 926) allows beverage dealers to refuse a container if the damage is so severe the brand cannot be identified, said Oregon Liquor Control Commission.

The amendment to Oregon's Bottle Bill (ORS 459A.715) became effective Jan. 1. It was added to the section that allows dealers to refuse to accept more than 144 containers a day from a single customer, or containers that contain a contaminated substance.

## One Love Spirit Choir performance set May 22 with S. African, Jewish music

A choral program featuring a South African freedom song and Sephardic Jewish chant, as well as a chorus by Handel will be presented by the One Love Spirit Choir.

The 36-person choir will culminate its current session with a spring concert on Saturday, May 22

at 4 p.m. at Immanuel United Methodist Church, 200 W. Watkins St., in Cave Junction.

There will be a repeat performance at the Williams Grange Hall at 4 p.m. on Sunday, May 23.

Taught by director Carol Valentine, a Selma resident, the singers are

from the communities of Williams and Illinois Valley.

Valentine began offering classes seven years ago to provide an opportunity for people to sing spiritually uplifting music outside the context of a church choir.

In the process, she helps singers improve their music reading skills and increase their vocal power and range.

For information about the concerts, or about joining the One Love Spirit Choir in the fall, contact Carol Valentine at (541) 597-2839 or valentine@cavenet.com.
