

Page Creek Road shooting area topic for meet

A public meeting about pros and cons surrounding a shooting area on Page Creek Road in Takilma will be held on Thursday, May 27. The meeting, sponsored by the U.S. Forest Service, will begin at 7

p.m. at the shooting site. Those unfamiliar with the location can meet Ranger Pam Bode at the forest service office in Cave Junction at 6:30 p.m. and caravan to the site. Bode said that some residents are concerned

that shooting in the area is unsafe. Supportive and opposing opinions will be heard, she said. Persons interested in the situation, but who cannot attend the meeting, can phone Bode at 592-4001.

Valleyites can attend Cycle Oregon info event

With more than 2,000 Cycle Oregon participants anticipated in Illinois Valley on Sept. 11-13, planning and opportunity aspects should be examined, notes Selma Community and Education Center (SCEC). With that in mind, the Cycle Oregon community organizer, Tara Corbin,

will present a slide show and answer questions during a public meeting on Friday, May 21. The informal gathering will be held at SCEC, the former Selma Elementary School, beginning at 6:30 p.m. SCEC will host Cycle Oregon in the way of entertainment, arts-and-crafts sales, site preparation and

clean-up, and portering for bicyclists. The get-together on Friday is designed to inform I.V. residents about the visit. The bicyclists will stay overnight at Lake Selmac on Sept. 13. "Those who attend the program on Friday will be able to find out about the coming event, and how they can join the fun," said SCEC.

JOINT arrests GP resident on meth laboratory charges

Rural Grants Pass resident Darren L. Dailey, 42, was arrested on methamphetamine charges after a search warrant was served at 6582 Rogue River Hwy. by members of the Josephine Interagency Narcotics Team, said Sgt. Ken Selig of Josephine County Sheriff's Office. Dailey, who was taken to county jail in the city of Grants Pass, was charged with manufacturing, possession and delivery of a controlled substance/methamphetamine; and possession of a precursor substance/meth. Selig said that officers seized various toxic and hazardous chemicals used to manufacture meth. Investigators also found components and toxic waste from the meth lab, "discarded in the adjacent woods children are known to frequent."

Recent seizure of the lab led detectives to a storage unit on Redwood Avenue, said Selig. They found "more of the same chemicals used to manufacture meth." It is believed that the lab had produced several ounces of meth during three or four times of operation. With Dailey was Lisa A. Hultquest-Powell, 42. Her possible involvement is being investigated with assistance from the county district attorney's office, Selig said.

POLICE MEMORIAL - A ceremony in memory of law enforcement officers, who gave their lives in the performance of their duties, was held on Friday morning, May 14 in front of the Josephine County Courthouse in Grants Pass. Honored were Oregon State Police Trooper Burrell Baucom; and county sheriff's office members Emmett J. Blackman, Alice Moran, Glenn Allen, Marvin R. Brewster and Tom Rice. The ceremony included a 21-gun salute. Speakers included Sheriff Dave Daniel and OSP Lt. Tanya Henderson. Sheriff's Lt. Lee Harmon was master of ceremonies.
