Four Way grants go to I.V. groups

Five Illinois organizations have been chosen to receive grants from Grants Pass-based Four Way Community Foundation.

*Kerbyville Museum will receive \$1,000 toward reconstructing the historic log-built one-room Grimmett Schoolhouse.

*Illinois Valley Pool Committee will receive \$5,000 to upgrade its safety and hygiene equipment at the Cave Junction Swimming Pool.

*A \$5,000 grant will go to Illinois Valley Safe House Alliance toward its goal to build a safe house for abused women and children.

*Illinois Valley Family Coalition was granted \$6,000 to acquire printers and a computer.

*And \$1,370 will be received by the Boys & Girls Club to obtain a computer for its administration services in Illinois Valley.

Twenty-nine grants, the most in the foundation's history, were approved for a total of more than \$131,000, said Giff Gates, chairman. The funds come from \$2.6 million in investments held by the foundation.

The largest grant — \$15,000 — went to SPARC Enterprises to help with acquiring portable document-shredding equipment. The organization serves developmentally challenged people by providing work opportunities.

The second-largest grant, for \$10,000, went to SOASTC, the Southern Oregon Adolescent Study and Treatment Center.

Other grants include: Gospel Rescue Mission \$5,000; Three Rivers Community Hospital Foundation Family House Project \$5,000; Josephine County Search and Rescue \$4,465; and Lovejoy Hospice \$2,850.

GP woman dead from gunshot

Deputies from Josephine County Sheriff's Office (JCSO) who responded to a Grants Pass residence on Sunday, May 18, found the body of Melissa M. Walker, 25, dead of an apparent gunshot wound to her head.

Due to the nature of her death, detectives from the sheriff's Major Crime Unit were called to investigate.

According to witnesses, Walker had purchased a handgun and was despondent over recent events in her life, said JCSO. They told investigators that Walker shot herself in the head just moments before authorities were notified by those at the scene.

JCSO investigators are working in conjunction with the State Medical examiner's office to determine the exact cause and manner of death. The Major Crime Unit is conducting further investigation.

The best thing about the future is that it comes only one day at a time.

- Dean Acheson -
