Bear Camp Rd. closure slated

Due to the failure of a retaining wall, Bear Camp Road (Forest Road 23) will be closed to public traffic Monday, June 21 through July 20 during repair work.

The road closure area is approximately 12 miles west of the junction of the Merlin/Galice and BLM Galice Access roads.

The closure area is approximately 16.5 miles east of the junction of the Agness and Bear Camp roads. Suggested alternate route is Hwy. 199.

For more information, contact the Gold Beach Ranger District at (541) 247-3600 or Galice Ranger District at (541) 471-6500.

Henner gets safety post for GP city

Joe Henner, public safety lieutenant with the Grants Pass Dept. of Public Safety, is the interim director for the department.

Recruitment for a permanent director is under way, and the naming of a director is anticipated in late August or September.

Henner began his responsibilities on Saturday, June 5. He will serve in an interim capacity until appointment of a director.

Director Ron Schwartz retired at the end of March, and has been on contract with the city for the last two months. Schwartz "provided wonderful service to our community through the last quarter century, and most especially, in the last seven years as the director of public safety," said William Peterson Jr., Grants Pass city manager.

Batty-aboutbats people class offered

Master Gardener Samantha Holyome will teach a class about bats at Jackson County Master Gardener Association Southern Oregon Research and Extension Center.

The site is at 569 Hanley Road, in Central Point; and it will be held on Tuesday, June 15 from 7 to 9 p.m.

Holyome will demonstrate the benefits of bats including how and why to attract bats, what they eat, how they sleep, and how to build and install a bat house.

The little brown bat can consume 600 mosquitoes in an hour. It dines on beetles, ants and flies and makes a good addition to any landscape, she said.

Admission is free. For further information, contact the Extension Center at (541) 776-7371 or at http://extension.orst.edu/ sorec/mg.

Campus News

De Graaf, Sullivan Gain UO Degrees

Two students from Cave Junction have completed degree requirements and can obtain their diplomas during a June 12 ceremony at University of Oregon in Eugene.

*Stephanie Jae Hooker De Graaf has earned a bachelor of arts degree in anthropology.

*Lark Song Sullivan has completed requirements for a bachelor of arts degree in Spanish. She is an I.V. High School grad.
