

# Weather eases fire restrictions

Fire season is still in effect, but recent rainfall has reduced the fire danger from extreme to high, prompting the Oregon Department of Forestry (ODF) to ease some fire restrictions.

Effective immediately, on all state, county, municipal, private and BLM lands protected by ODF in Josephine and Jackson counties, the following restrictions are in effect:

\*Outdoor burning is prohibited.

\*Public chainsaw use is prohibited between the hours of 1 and 8 p.m.

\*Non-agricultural mowing of dry grass is prohibited between 1 and 8 p.m.

\*Non-agricultural and non-commercial use of power-driven equipment such as backhoes, rototillers, and trenchers, in areas of flammable vegetation is prohibited between 1 and 8 p.m.

\*Cutting, welding, and grinding of metal in areas of flammable vegetation are prohibited.

\*Fireworks are prohibited in areas of flammable vegetation, and on all federal lands.

\*Vehicle use off-road is prohibited.

\*Smoking is prohibited in wildland areas except in enclosed vehicles while on improved roads, free of flammable vegetation.

For commercial forest operators, an Industrial Fire Precaution Level 2 is in effect.

For information phone ODF at (541) 474-3152.
