

Crowds roar for I.V. Lions Labor Day activities

A drawing for a 2004 Harley Davidson motorcycle was among final events at the 32nd annual I.V. Lions Club Labor Day Festival. Grants Pass resident Grace Drenstedt, 3, drew the winning ticket, that of Roseburg resident Lloyd Bennett. The festival and parade shown on this page in various photos was another success. Winners in the parade and other events will be in next week's issue. Theme of the annual event was, 'Lions Salute to Labor.'

For optimum performance and safety, we recommend you read the owner's manual before operating your Honda Power Equipment. Connection of a generator to house power requires a transfer device to avoid possible injury to power company personnel. Consult a qualified electrician. Not all dealers carry all products. Consult your local Yellow Pages. © 2003 American Honda Motor Co. Inc.
