also a Vietnam veteran, retired as lieutenant colonel and moved to the valley with his wife of 37 years, Claudia. They have four grown children.

“People at school always called me ‘Colonel,’ because that’s what I was when I retired from the military,” Crews said.

According to Crews, those interested in becoming an adult mentor must undergo a background check and meet with students during school hours only to make sure they’re staying on the right track.

For more on ASPIRE, phone Crews at 592-2116 or “see the colonel” at the counseling center.

O'Hare hired for finance

Arthur O’Hare has been promoted to interim director of the Josephine County Finance Dept. “until further order” of the board of county commissioners.

The board Wednesday, Dec. 15 passed an order reorganizing responsibilities of the department and placing O’Hare in charge.

Most recently the controller/treasurer for a Rogue Valley corporation, O’Hare will oversee all functions of the finance department, including accounts payable and payroll, and have “full authority” for the administrative management and supervision of the Human Resources and Risk Management departments.

O’Hare has 22 years of accounting experience, including eight years with state government. He also served 10 years as assistant director of business affairs at Western Oregon University at Monmouth.

Questions and Answers by Christina Snell Executive Director at Lovejoy Hospice

In an effort to help you to be better informed about hospice care in our community, Lovejoy Hospice produces an informative question and answer column each month. Look for our column printed on the fourth Wednesday edition of the Illinois Valley News.

Question: "I was told that hospice puts a lean on people's homes. Is this true?" Answer: Though I am not aware of all the details in this case, I can say that this is not a common practice in our community. Before anyone receives hospice care, the hospice is required to inform them of hospice charges for which they assume responsibility. The following are examples – 5% of all hospice medications (Medicare); private insurance deductibles; private insurance co-pay amounts; etc. The person's signature indicates that they understand their financial obligation.

The Heart of Caring

If you have a question about hospice care for the column, please phone (541) 474-1193 or (1888) 758-8569 or Email me at: christina@lovejoyhospice.org
