JoCo Budget Committee has vacancy

Applications from volunteers to fill one vacancy on the Budget Committee are being accepted by the Josephine County Board of Commissioners.

The committee meets publicly each spring to review and approve the budget documents as proposed by the budget officer, elected officials, and department heads. It covers each county department and individual citizen testimony.

Committee members should develop a general understanding of the budget process, the departments and programs included in the budget document.

The deadline for accepting applications is Friday, Feb. 25.

Applications are available in the Board of Commissioner's Office, Room 154, Josephine County Courthouse, Grants Pass. For more information, phone 474-5221.

It is common sense to take a method and try it. If it fails, admit it frankly and try another. But above all, try something.
