## Home Valley baby guess youth benefit to net prizes

"Baby Anticipation" at Home Valley Bank in Cave Junction will benefit the Illinois Valley section of the Boys & Girls Club.

The fund-raiser involves teller Shelly White, whose projected baby delivery date is March 19.

But for a buck a chance, available at the bank, anyone can guess the date, the weight and height of the new arrival, and whether it'll be a boy or a girl.

The winner (the one who comes closest without "going over") will receive:

A one-night stay at the Best Western Beachfront Inn at the Port of Brookings Harbor; and a gift basket from Taylor's Sausage.

The child will be the first for Shelly and her husband, Bob White, who live in rural Cave Junction.

## **DMV reports** '03 statistics

During fiscal year 2003 2,001,401 vehicle registrations were issued by Oregon Driver & Motor Vehicle Services.

DMV issued 1,243,839 titles, and 697,502 driver licenses.

In addition, there were 364,602 license suspensions and revocations, plus 590,796 convictions for violations were posted.

Love may be blind, but the neighbors ain't, so don't be kissing by the garden gate.
