You Don't Say ..?

In the Dominican Republic is the University of Santo Domingo (established in 1538), the Americas' oldest university.

The average age at which America's presidents have taken office is 54.

Of 103.4 million American men, 22.5 million wear a mustache.

PUBLIC NOTICE

NOTICE OF BUDGET COMMITTEE MEETING

A public meeting of the Budget Committee of the Three Rivers/Josephine County Unit School District, Josephine County, State of Oregon, to discuss the budget for the fiscal year of July 1, 2005, to June 30, 2006, will be held at Three Rivers School District Administration Building, 8550 New Hope Road, Murphy, Oregon. The meeting will take place on the 26th day of April, 2005, at 7:00 p.m.

In 625 B.C., metal coins were introduced in Greece. They replaced grain -- usually barley -- as the medium of exchange. Stamped with a likeness of an ear of wheat, the new coins were lighter and easier to transport than grain and did not get moldy.

John Travolta's famous white suit from the film "Saturday Night Fever" (1977) sold at auction for an incredible \$145,500 in 1995.

The purpose of the meeting is to receive the budget message and to receive comment from the public on the budget. A copy of the budget document may be inspected or obtained on or after April 26, 2005, at the Administration Offices, 8550 New Hope Road, between the hours of 8:00 a.m. and 4:30 p.m. This is a public meeting where deliberation of the Budget Committee will take place. Any person may appear at the meeting and discuss the proposed programs with the Budget Committee.
Publish 4/13, 20-05

The average female between the ages of 20 and 44 is more likely to be overweight than are males in the same age category.

On Jan. 28, 1687, a Japanese law was imposed by the Sunayoshi forbidding the killing of animals and the eating of all fish, shellfish, and birds. Sunayoshi's only son had died, and he became a devout Buddhist.
