You Don't Say!

Today 40 million Americans trace their ancestry back to Ireland.

The word Leprechaun is derived from the Gaelic luacharma'n, "pygmy", or leith brogan, "maker of one shoe."

St. Patrick, the patron saint of Ireland, was born in Wales about AD 385. His given name was Maewyn. When he was 16, he was sold into slavery to Ireland where he was a shepherd for six years. While in captivity, he studied and turned to religion. He escaped from slavery and later returned to Ireland as a missionary, determined to convert Ireland to Christianity. He used the shamrock to explain the Holy Trinity.

The origins of the Blarney Stone's magical properties aren't clear, but one legend says that an old woman cast a spell on the stone to reward a king who had saved her from drowning. Kissing the stone while under the spell gave the king the ability to speak sweetly and convincingly.
