**NOTICE OF 30-DAY COMMENT PERIOD COMMERCIAL ROAD USE PERMITS**

The Forest Service is proposing to issue commercial road use permits to Indian Hills LLC, Perpetua Forests Company, Spaulding Timberland LP, and Rick Jackson. The Forest Service roads involved in this use are within the Galice and Illinois Valley Ranger Districts on the Rogue River-Siskiyou National Forest. Roads include #25 (Briggs Valley), #4611 (Grayback), #4613 (Buck Peak), #9938 Leuzenger Creek, and associated spur roads from these main roads. All of these roads have been used for commercial haul from private land in the past. Road use permit holders share the cost of road maintenance with the Forest Service commensurate with their use. The Forest Service is initiating a 30-Day Comment Period under the requirements of the National Environmental Policy Act and its implementing regulations. This proposal falls within a category of actions listed in the Forest Service NEPA Handbook (FSH) that are potentially excluded from documentation in an Environmental Assessment or Environmental Impact Statement and there do not appear to be any extraordinary circumstances that would preclude use of the category (FSH 1909.15, Chapter 31.12, Category 4). This comment period is being provided pursuant to the September 16, 2005, order issued by the U. S. District Court for the Eastern District of California in Case No. CIV F-03-6386JKS. Those who provide timely and substantive comments will be eligible to appeal the decision pursuant to 36 CFR part 215 regulations. This notice to comment is intended to inform the public of review information available upon request and the opportunity to provide meaningful input prior to the decision being made for authorization of this action on National Forest System lands made per 36 Code of Federal Regulations 215.6. The 30-day Comment Period for federal portion of this proposed action shall commence the first day after publication of this legal notice (Note: the comment-time period is computed using calendar days, including Saturdays, Sundays, and Federal holidays and shall not be extended). Individuals and organizations wishing to be eligible to appeal must provide the following in a timely manner: (i) Name and address; (ii) Title of the proposed action; (iii) Specific substantive comments (i.e., comments that are within the scope of the proposed action, are specific to the proposed action, have a direct relationship to the federally proposed action and include supporting reasons for the Deciding Officer to consider in reaching a decision; and (iv) Signature or other verification of identity upon request. The Responsible Official is Pam Bode, District Ranger, Illinois Valley and Galice Ranger Districts. Written comments must be submitted to: Michael Dearborn, Pacific Zone Environmental Coordinator, 29279 Ellensburg Avenue, Gold Beach, OR 97444, or telephone (541-247-3688), or FAX (541-247-3690) The office business hours for those submitting hand-delivered or oral comments or seeking additional information are: 8:00 AM-4:30 PM, Monday through Friday, excluding holidays.
