Dear Santa,

I go to school and Christmas is coming up and I saw you in Grants Pass and I am going to Grandma's for Christmas. Will Rudolph ride your sleigh. Dan and Dave work in the forest and I went with them. I want some cars, race set and a tractor. I want a Christmas tree with Santa in it that pops open.

Shane Wilde

Dear Santa,

We got pictures of you. You are ice skating on our color sheet. I'm one of your helpers here at school. I'm good and I want a "baby that-a-way" please. How are you? Are you having fun? There are pictures on stores of you and people have pictures of you.

Michelle Davis

Dear Santa,

Give me a 7-Up thing for Christmas so I can drink 7-Up at home. I have been good. Give me a candy cane. I play with my sister. I saw you at a resterant by the Caves. Thak you for the candy cane. I want more.

Scott Tracy

Dear Santa,

You are skating on my color sheet at school. Why do you do that? I don't know what I want for Christmas, anything you want to give me. I have been sick with a sour throat. I have been nice.

What do you want for Christmas?

Kevin Beck: A loader, a medium one. It digs up dirt and puts it in the dump truck. I'll take a dump truck. Bye-Bye

Pam Brinkley: A doll. Do you know what kind of doll? A hot rod doll. It's a doll that you pull her string out and it talks.

Rick Buckendale: You know those things ththat you have to go wham, wham. Not a hot wheel, it's a chopper. I can go riding around like Fonzie. Uh, a tool set and chopper.

Mario Garcia: I want one of those things that have a wibble wobbles and theyu go in a tree house. And a logging truck with wood on it. And a chalkboard, a Santa Claus light. No more.

Sky VanLoo: A rifle gun that has a thing on top that cocks, a toy chain say, it makes some noise, a big car like my dad, walkie talkies and a play helicopter and a play telephone and new crayons.

Cricket VanValkenberg: A doll with clothes on it. The ones you get at the store. A bike, somebody stole my bike.

Doug Pizzola: Trike, I just broke a trike, Paul stood on it. One of those motorcycles that you pull that thing out and it goes and knocks down blocks. And lets see, what else do I need, a set of cars, a fire-engine and a book like this. A dog, my mom won't let me keep one. Hey, another cat.
