Arts & Entertainment

ON THE BEAM -- Sixteen massive beams, among them four weighing 92,570 pounds each and measuring 111.5 feet in length, arrived in Illinois Valley last week. Many motorists on Interstate 5 and Hwy. 199 did double-takes upon seeing the immense items being hauled by trucks that included a remotely controlled rear-steering component in the trailer assembly because of the length. The beams are for a new 199 (Redwood Hwy.) span over West Fork Illinois River ('second bridge') near Westside Road. The work is part of a three-year $16 million project by Oregon Dept. of Transportation to replace four bridges on Hwy. 199 between O'Brien and Cave Junction. Two have been completed. Old West dinner, mystery theater will benefit IVFC

A Western-themed mystery dinner on Saturday, Jan. 27 at Selma Community Center will benefit Illinois Valley Family Coalition (IVFC), dinner sponsor.

The dinner will begin at 7 p.m. The center's gymnasium will be transformed into an 1880s hotel where the citizens of the "Olde Selma Prairie" will meet to try to solve a murder.

Said IVFC, "A wealthy land owner is shot while riding to town, leaving his wife and daughter. The entire cast is suspect. Help us try to solve this mystery while enjoying a fine dinner."

There also will be features including live music, and a silent auction.

Tickets for the fundraiser are available from Linda Corey, an IVFC director, at lcorey95204@yahoo.com or phone 592-6126. Tickets also are available at the Illinois Valley Family Coalition office in Cave Junction; phone 592-6139.

Added Corey, "To get into the spirit of this play, you are invited to wear Western clothing, anything that might be appropriate to 1880-1900 in the Wild West. You could be a gambler, gunslinger, school marm, dancehall girl, sheriff, bartender, rancher, Victorian lady, preacher, miner, lumberjack, Pony Express rider, Annie Oakley, farmer, or whatever inspires you."

DEQ penalizes for pollution

Twenty penalties totaling $115,549 during November 2006 were announced by the Oregon Dept. of Environmental Quality (DEQ).

Mt. Angel-based Oil Products Inc. incurred the largest fine -- $30,680 -- for failure to start and complete an investigation into contamination caused by leaking underground storage tanks at its Stayton facility.

In Josephine County a $2,506 penalty was assessed against Michael Lee Walker for discharge of siphoned septic system effluent into Sand Creek. The sewage came from College Mobile Home Park property, 1950 Demaray Drive, in Grants Pass.

Walker paid the fine. No appeal was noted.
