Carlton's Seamless Gutters Systems Inc.

Carl & Randi Lenhart – Owners CCB #0078729

Don't make the mistake of thinking that gutters are just a convenience. A good gutter system is a necessity for every home, multi-family dwelling, business and institutional building. The absence of gutters or leaking gutters not only makes your property messy in a storm and leaves erosion tracks around the building, they can be a major cause of foundation problems and basement leakage. These can be very expensive problems to correct.

CARLTON'S SEAMLESS GUTTERS SYSTEMS INC. is an experienced guttering company featuring state-of-the-art continuous gutters for any size property. Their gutter systems are manufactured on site out of .027 and .032 gauge aluminum, copper, or steel, that are considered to be the ideal thickness for 5" wide gutters. Continuous systems don't develop leaks and weakened joints for which old gutters are notorious. CARLTON'S SEAMLESS GUTTERS SYSTEMS INC.'s gutters and downspouts are available in a variety of colors to match or coordinate with your home or business exterior, and accessories are available to prevent leaf and debris blockage.

Contact CARLTON'S SEAMLESS GUTTERS SYSTEMS INC. located in Merlin, phone **541-476-8717** for further information as to materials and installation. Carl and Randi thank everyone for your business. It is appreciated and never taken for granted.
