Critic's Choice

Thursday
8 p.m. on NBC

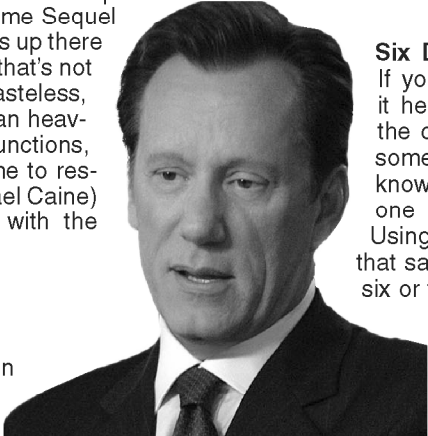

My Name Is Earl: Sacre bleu! As a boy, Earl (Jason Lee) tormented Pierre, a French exchange student, so mercilessly that he fled home to France. Now Earl wants to bring Pierre back to make amends and show him what a great country the United States is. Randy and Catalina's (Ethan Suplee, Nadine Velazquez) relationship undergoes an unexpected transformation. Ernie Grunwald ("One on One") guest stars in "Foreign Exchange Student."

Friday 8 p.m. on FOX

Austin Powers in Goldmember: The third film featuring Mike Myers as the time-warped mod spy doesn't suffer from Lame Sequel Syndrome. In terms of quality, it's up there with the original. Unfortunately, that's not very far up. If you're a fan of tasteless, occasionally gross gags that lean heavily on sex and other bodily functions, enjoy. Austin travels back in time to rescue his kidnapped father (Michael Caine) from Goldmember's clutches, with the help of a sexy fellow spy.

Saturday 7 p.m. on FAM

Grease: Grease is the word! John Travolta trades his "Saturday Night Fever" disco duds for

slicked-back hair and a leather jacket in this 1978 film version of the Broadway musical. He plays a tough 1950s high-school student who is reunited with the shy Australian exchange student he met the previous summer. Songs include "You're the One That I Want" and "We Go Together." Olivia Newton-John and Stockard Channing also star.
