With regard to using local contractors, Bill noted that not only did he and Chris realize lesser costs than they had anticipated, but that if there ever are any problems, there will be a quick “local” response.

Besides all that, he said, the contractors have a project of which they are justifiably proud -- and it’s right in Downtown CJ.

Seven men in vehicle with 14 pounds of pot arrested

An Oregon State Police traffic stop on Interstate 5 south of Roseburg in Douglas County led to the arrest of seven people and the seizure of more than 14 pounds of marijuana and several firearms.

At approximately 1:22 a.m. recently, an OSP trooper stopped a 2002 Chevrolet Tahoe with Washington license plates. The vehicle, northbound near milepost 119, was stopped for an equipment lighting violation. A second trooper arrived to assist, and both detected a strong odor of marijuana.

A Douglas County Sheriff’s Dept. deputy with a drug detection canine and other OSP troopers responded. Officers from Douglas Interagency Narcotics Team (DINT) also responded to the scene and assisted troopers.

The seven occupants were detained, and a firearm was discovered in the waistband of passenger Rafael

Contreras, 18.

The canine alerted on the rear of vehicle where officers found approximately 14.5 pounds of marijuana in a black garbage bag. Four more handguns were found in various locations inside the vehicle, two of which had serial numbers removed. Officers also found \$1,500 cash.

All seven occupants were arrested and lodged at Douglas County Jail for delivery, possession, and manufacturing a controlled substance/marijuana; unlawful possession of a firearm; and, obliteration of a serial number from a firearm.

The seven suspects, besides Rafael Contreras, are identified as the driver, Teodulo Valencia, 29; Ricardo Valencia, 18; Maximilla Valencia, 18; Rivera Contreras, 29; Gerardo Ayala, 18; and Salvador Contreras-Paria, 40.

Their places of residence were not immediately known. Investigation continues.
