

Tillie and Nellie (Photo provided)

Mickey twins observe 65th

Twins Tillie Shaw and Nellie Martinez, who are among the 11 children raised by the late San & Hazel Mickey in Cave Junction, recently celebrated their 65th birthday.

The twins and family members gathered in Cave Junction for the observance.

All 11 children, natives of Cave Junction, now are senior citizens ranging in age from 58 to 77. The twins were accompanied by their husbands, Bill Shaw and Sam Martinez.

Also attending were Walt Mickey and Charley Mickey, who still live in Cave Junction; and out-of-town residents Deette & Russ St. John, Dan & Barbara Mickey, Jewell & Ed Hubbard, Fern Brown, and friends.

Mary Mickey, Jean & Jerry Lundford, and Laurel & Larry Day were unable to attend. The Mickey Family has grown to 127 -- and it's still expanding.

To vote in the May 20 primary election, Tuesday, April 29 is the deadline to register or change party affiliation.

Obituaries

Sandy Guichot

Cave Junction resident Sandy Guichot, 59, died Thursday, April 10, 2008 at home.

A service will be held in California. Hull & Hull Funeral Directors is in charge of arrangements.

Elizabeth ‘Betty’ Arnold

Longtime O’Brien resident Elizabeth “Betty” Arnold, 87, died at her home Saturday, April 12, 2008.

Visitation was held Friday, April 18 at Illinois Valley Funeral Directors chapel in Cave Junction. The rosary was recited the same day at the chapel.

A funeral Mass was celebrated Saturday, April 19 at St. Patrick of the Forest Catholic Church in Cave Junction with Father Peter O’Brien officiating. A committal service was conducted Monday, April 21 at Eagle Point National Cemetery.

Mrs. Arnold was born Elizabeth Hickey on Oct. 26, 1930 in Marianna, Ark. to Marion Hays Hickey & Jennie Lou Underwood Hickey. She spent her childhood there with her parents and two brothers, Hays and Bill, in the small town of Marvel, Ark. After high school, she settled in Southern California where she attended a business college.

When World War II broke out, Mrs. Arnold joined the U.S. Navy and became a yeoman in the WAVES. She was stationed in San Francisco, where she met a young U.S. Marine from Indiana named John Richard “Dick” Arnold, who was stationed at the supply depot on Treasure Island. After the war, they moved to Glendale and were married. They bought a brand-new home in what had been a tomato field in the town of Re-

seda in the San Fernando Valley, part of Los Angeles. There they raised three children.

In-between raising the children, she often worked as a legal secretary. After retiring, the couple traveled the country for two years. In 1979, they visited friends Mac & Barb McDonald in O’Brien and fell in love with the place. The Arnolds bought an extra parcel of land that the McDonalds owned, and developed it into the home they loved, and where they would spend the rest of their days.

Throughout her life Mrs. Arnold found ways to be involved in causes and organizations important to her and the community. She especially believed in the importance of voting, and often volunteered her home as a polling place. She was a devoted Democrat; proud to have been present at the 1960 convention that nominated John F. Kennedy.

In Oregon, she continued her involvement in the community by becoming a member of the O’Brien Women’s Circle. She was on the Budget Committee and later served as a director on the Illinois Valley Fire District Board. An ardent

USFS announces burnings

Rogue River-Siskiyou National Forest fire managers are planning 1,095 acres of prescribed burns this spring as weather permits.

U.S. Forest Service is planning burns in Wild Rivers Ranger District and has seven prescribed burns planned for 760 acres. This includes five underburns and one hand pile burn some 13 miles southwest of Grants Pass near Waters Creek.

It also includes one underburn approximately 16 miles southeast of Cave Junction near Grayback Creek.

The spring program goals vary and include treating the fuels on the ground to reduce risk of insect and disease outbreaks, to create better wildlife habitat and to reduce fire hazards, said USFS.

“This is part of an annual burning program that the forest service conducts, for which we plan in advance,” said Rob Budge, a deputy fire staffer in Fuels. “Burning ground vegetation under controlled conditions allows the agency to meet objectives of treating forests at risk and creating an area that is more fire-resilient,” said Budge.

The agency follows all state regulations for smoke management to ensure that weather conditions are appropriate for smoke ventila-

tion. Several conditions must be met before prescribed burns can be conducted, including proper humidity, wind speed and direction, temperature and fuel moisture.

Fire managers conduct prescribed burns only if weather conditions and fuel moisture content allow for safe and successful burning operations. The State of Oregon Smoke Management Office will indicate suitable weather conditions for smoke dispersal.

The Holiday Basket and Toy Program have been Illinois Valley traditions for more than 13 years. Low income families count on the programs to provide a hearty holiday meal and Christmas gifts for their children.

Historically, we have been the distribution site for the Holiday Basket Program and this year the Illinois Valley Family Coalition is assuming the role of manager for the Toy Program.

We depend on the generous support of all Illinois Valley citizens to help provide toys to more than 600 children this year.

We ask for your donations of new, unwrapped toys or cash to purchase toys for the program. All donations stay in the Illinois Valley and are tax deductible.

Donations are requested early in order to take advantage of Summer and Fall toy sales, allowing our cash donations to go further.

Donations of checks or toys may be taken to Illinois Valley Family Coalition. To volunteer to help or for questions, call 592-6139, extension 303.

Your past generous support is appreciated. Your continued support this year is critical. Together we can make Christmas special for low income families in the Valley.

Thank You!
