

Three Rivers Livestock 4-H Club members worked Saturday May, 3 at Laurel Cemetery in Cave Junction to help prepare the top portion for Memorial Day. The volunteer community project was

undertaken in cooperation with Laurel Cemetery Association in connection with the annual Old-Timers picnic. Shown are some of the volunteer workers lead by Trina Mason. (Photo by *IVN*)

Hope remains, reward offered for man missing from CJ since ‘06

The mother of a man missing since May 2006 is still is hopeful that he, or at least his body, will be found, and is offering a \$5,000 reward for “verifiable” information.

He last was seen at Shady Acres RV Park, south of Cave Junction.

Patrick “Thatcher” Mahurin, who moved to Ashland with his family in 1997, disappeared from his Cave Junction trailer on Mother’s Day of ’06. Mahurin, a

42-year-old with a severe learning disability, was known around the Ashland community for always carrying his keyboard with him, which he played at various locations around town.

He moved to Cave Junction two months before his disappearance. His mother, Lee Mahurin, of Ashland, said that she usually heard from him several times a day. On Mother’s Day ‘06, she said he called and on his keyboard played her a song

that he’d written. After the song, he got back on the line and said that he loved her.

Anyone with information regarding his disappearance should phone the Josephine

County Sheriff’s Office at 474-5153, Ext. 3523. Information about his whereabouts in connection with the reward should be sent to: “Thatcher”, P.O. Box 3203, Ashland OR

City schedules two public meetings

A request by Cross Quest Expeditions for use of Jubilee Park is among agenda items for the Cave Junction City Council.

The mayor and council will meet in city hall Monday, May 12. The agenda also includes amended findings for a contested annexation of a Kerby site.

There also will be consideration of a zone change request by Taylor’s Sausage. Affected property owners have been notified by the city.

On Tuesday, May 20 the city Budget Committee will meet at 7 p.m. in city hall to receive the budget message and hear input.

Smoke detectors can help save lives

Do you have smoke detectors in your home?

When is the last time you checked the batteries?

Did you take one out because it was beeping? That is telling you that you need a new battery, said Illinois Valley Fire District (IVFD).

How much are the lives of you and your loved ones worth? Smoke detectors save lives because when working properly they can provide an early warning that smoke is in the house, noted IVFD.

Do you have fire drills

with the family and pets? Do you know how they will respond to the sound?

Do you know where they will go? People and pets die in fires because they don’t know the house is on fire.

Not all children hear smoke detectors -- do yours?

Do you have a fire extinguisher in your home?

If you need help with the proper placement of smoke detectors and extinguishers, or have any question about being fire-safe phone IVFD at 592-2225.
