

# ☞ Holland Loop History Tour ☞

The Holland Loop History Tour is a 14-mile, scenic drive that passes several points of historic interest, some of which reach back to Oregon's first gold discoveries.

Cave Junction

By **ROGER BRANDT**

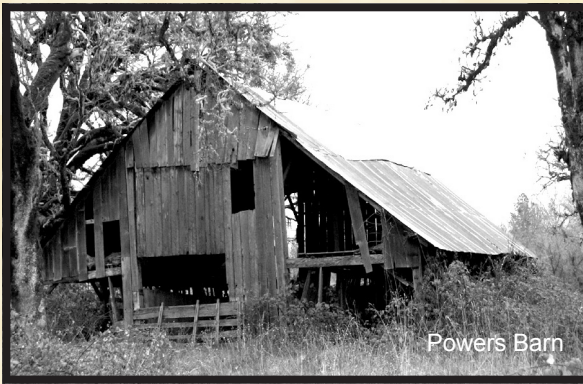

The drive follows state Hwy. 46 (Caves Hwy.) and returns you to Cave Junction via Holland Loop. The loop can be made in approximately 30 minutes.

Most features pointed out on the drive are on private land. Please respect privacy and enjoy these historic features from the highway. If you stop, please find a place where you can park your vehicle off the road so that it does not pose a hazard to passing vehicles.

## Begin Tour

The tour begins as you turn on to Hwy. 46 from the south end of

Powers Barn

the city of Cave Junction at Oregon Caves Chevron.

☞ Drive 0.3 of a mile to the first

point of interest, Old Stage Road.

Old Stage Road follows closely the route of the historic road between Josephine County and Crescent City, Calif. The road was in use from 1858 to the early 1900s.

☞ Continue 1.9 miles to Glenn Morrison American Legion Hall.

The large cinder block building on the left was originally an ice house and meat locker constructed around 1945.

☞ Continue 1.0 mile to an historic barn.

The old barn on the right was constructed around 1885 and is one of the oldest barns in Josephine County.
