

CJ Council delays AFD hearing yet again

By SCOTT JORGENSEN
IVN Staff Writer

It looks as though the people waiting for the Cave Junction City Council to finalize an Advance Financing District (AFD) for improvements on West Schumacher Street are going to have to wait a little longer.

A public hearing of the second reading of an ordinance to establish the AFD was scheduled for the council's meeting Monday night, Oct. 12 at city hall. The developer-installed AFD is for water, sewer, street and storm drain improvements.

City Recorder Jim Polk stated that he wanted more

time to review the paperwork associated with the AFD. He said that he planned to request invoices from some of the developers involved in the initial improvements, and added that he wanted City Attorney Patrick Kelly to review them.

Councilor Dan Fiske moved to continue the AFD hearing to a date to be determined later. That motion was seconded by Councilor Trish Arias and passed 3-1, with Councilor Margaret Miller opposed and Mayor Don Moore abstaining.

"This has been frustrating for all of us," Moore said.

Roger Freeborn of Illinois Valley River Estates, one of the companies hoping to be reimbursed for the improvements it funded, reiterated his desire to see the matter settled in a timely fashion.

"This thing has drug out for years," Freeborn said.

Freeborn, who lives in Terrebonne, by Prineville, said that his company put up \$400,000 for a pump station requested by the city. He asked for a "fair resolution" to the issue.

"That's all we've ever asked for," Freeborn said.

Moore said that the city just wants to make sure the AFD was conducted prop-

erly. He praised Freeborn as a "stellar gentleman" for his patience.

"We want to make sure we're as correct as we can be on this," said the mayor.

Councilors also voted 5-0 to approve an ordinance repealing a previous ordinance creating a Local Improvement District for work on Redwood Hwy. at the north end of the city. No comments were made during a public hearing.

Also approved 5-0 was an ordinance amending a previous ordinance due to a "scrivener's error." No public comments were made during a public hearing.

The meeting adjourned after 33-minutes.

The Health and Cooking Class, which meets Mondays at 6 p.m. in October, is off to a fantastic beginning as guest lecturers Henry & Robin Martin encouraged us to follow the pathway to good nutrition and enjoy a healthy lifestyle.

When we entered the fellowship hall we were met with red Chinese lanterns, beautifully decorated tables, and the aroma of Asian food. The meal was a delicious work of art.

Lilly Vasquez demonstrated a Chinese vegetarian stir fry; and later; Robin Martin demonstrated Thai Salad Rolls in Rice Paper. Mondie Johnson topped it all off with her

yummy Lemon Coconut bars. Merle Dequine, who was in charge of the creative decorating, awarded the four door prizes to surprised participants.

Last Monday was Italian Night. The Walk for Life group took a short walk before the full meal. Guest lecturers, Dr. Frank & Rosalie Hurd, helped us find natural remedies for depression.

Monday, Oct. 19 will bring Dr. Jon Ermsar to the church fellowship hall to inform us about the latest Swine Flu problem and how we can avoid it this winter.

Breakfast like a King will be served at 6 p.m. after the Walk for Life that begins at 5:30 pm.

The Madrone Adventist Elementary School is off to a great start with plans to erect state-of-the-art covered playground equipment on the 5-acre campus. Watch the progress at 4300 Holland Loop.

The students are once again selling large apple, apple/blackberry, and pumpkin pies. The apple and apple/blackberry are sugar free. Phone 592-3330 to order pies for the holidays. They freeze well.
